

**WHO
IS GOING
TO WORK
FOR YOU
IN THE NEXT
TEN YEARS ?**

**Join other Employers and
Human Resources Professionals
to learn more about:**

- How offering work experience benefits your organization, students, and the economy
- Successful school-work relationships – the role of employers, educators and students
- What suits your workplace – the range of short and long-term work experiences
- Employer resources – valuable information and tools to help you start a personalized school-work program for your organization including the recently launched Ontario Skills Passport

PLUS! The 2006 Employer Champion Award Presentations
